Dear Ernie:

Thank you for taking time to speak to our Leadership Development associates last week. I have received numerous positive comments on your presentation from those in attendance. Your message was perfect for this group.

I have enclosed a token of our appreciation for speaking to us. I hope this meets your expectations. Thanks again for joining us and I very much appreciate your friendship

Sincerely,

A handwritten signature in black ink that reads "Robert". The signature is written in a cursive, flowing style.
