Dear Ernie,

When I engaged your services to present at the 3rd annual Stewardship Leadership Day in the Diocese of Lafayette I had absolutely no idea what to expect. I must tell you, in all sincerity, you exceeded every expectation I might have had. You were a "blockbuster hit."

Your unique blend of faith, humor, wisdom and telling of life experiences charmed the crowd (and me). You engaged and moved every person in the room.

I was especially grateful that you spent the day visiting with so many on a "one-on-one" level. Countless people came to me to tell me how great you are. I think this was evidenced by the fact that your books were sold out and back ordered. The Bishop read my copy and told me how much he enjoyed it.

Thank you, Ernie, for being here with us on January 25 and making it such a special day. A by-product of the day's success is that I have been asked to present on March 11 to priests and lay people in the North Region of the Diocese who didn't make it that day. Wouldn't care to come back, would you?

Thanks again, Ernie, for everything. May God bless you abundantly for your stewardship and reward you richly in your new career. You are truly a blessing.

With warmest wishes for your continued health and prosperity, I remain

Very truly yours,

Connie B. Kleinpeter
