Dear Ernie,

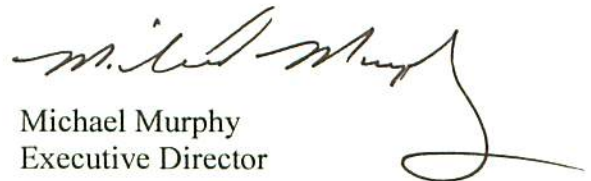

It is in the spirit of gratitude that I write to you to thank you for sharing your wisdom and experience at the International Catholic Stewardship Council's 2008 conference in Chicago. Although I was unable to sit in on your session, I heard from someone who attended how much they appreciated your thoughtful reflections.

As we do with all our presenters and facilitators, I enclose a compilation of the session's evaluations. As you can tell, your presentation was well received. I hope you find it helpful.

Also enclosed with this letter you will find a check made payable to you in the amount of \_\_\_\_\_ to reimburse you for the expenses you so graciously advanced to be with us at this year's conference. Thank you for doing this for us.

Again, please accept my heartfelt gratitude for your presence at our Chicago conference and for your willingness to offer so generously your gifts. We were indeed blessed by those gifts and I hope we will be fortunate enough to draw from them in the future. Be assured of my prayers for you and your family during this Advent season.

Gratefully,

  
Michael Murphy  
Executive Director
