Dear Ernie:

I trust upon receiving this note, you are experiencing "balance" in your daily interactions. Hopefully your dog has limited his barking. Your presence at our Leadership Retreat was a delight and gave us plenty food for thought. Various staff members positively commented about the personal stories and insight.

We appreciate the kind words you shared about St. Johns County School District. I trust that I can count on you as an ally as we continue to craft a world class education for our students.

We look forward to future interactions. In closing, I send our deepest appreciation and thanks!

Sincerely,
